

Addenda to Service Agreement Return/Replacement of Pumps

Patient Name: _____

The therapy provided by BioMatrix Specialty Pharmacy requires certain medical equipment, specifically one or more pumps. This equipment is being loaned to you and remains the property of BioMatrix unless otherwise specified in writing. It is your responsibility to return the equipment upon completion of therapy or replace it should it be lost, damaged, or not returned. We will contact you at the completion of therapy to arrange for its return. Should you not hear from us, please reach out to us as soon as possible so arrangements can be made for its prompt return.

Should you be hospitalized during therapy, please plan for a family member/caregiver to assume responsibility **for the equipment and ensure that it is stored at your home for safekeeping. Please do not release or give your equipment to the nursing agency or to hospital personnel.** If an extended hospital stay or other therapy interruption is anticipated, please contact us to arrange for its return. Other pumps will be provided should you resume service with us.

If any damage is incurred to the loaned equipment, or if it is lost or otherwise not returned to us, **you will be responsible for the cost to repair or replace the loaned equipment.** This chart shows the replacement cost of the pump(s) that you have been provided:

Pump Type	Estimated Replacement Cost

Manual	\$ 300/ea.
