

Welcome to BioMatrix Specialty Pharmacy!

Our primary focus is to help you achieve better health. Acting in concert with your medical team, we are here to provide the medication and support you need between regularly scheduled office visits. We understand managing care includes so much more than just receiving a shipment of medication each month. We are dedicated to building a relationship of trust, commitment, and quality. Thank you for choosing BioMatrix!

This packet includes important documents, pharmacy contact numbers, and other information relating to our pharmacy services and your rights as a patient. To access the full Patient Welcome Packet, please go to biomatrixsprx.com, and click on the 'New Patient Info' link. If you would like a full, printed copy, please contact the pharmacy referenced below.
